Guide To Lithuania:

Experiencing Lithuania Columbia J. Warren, 2013-06-17 Revised Updated and Expanded in 2013 This guide takes a different approach than other more traditional travel guides about Lithuania Instead of simply aggregating information about the country and its tourist attractions the author delves deeper into describing the country and its people particularly those aspects about Lithuania and Lithuanians that strike him as unique and interesting The guide does provide descriptions about places to go sites to see and where to eat but only selectively based on the author's own and local Lithuanians recommendations The guide also provides a great deal of practical advice about traveling in Lithuania in order to help you make the most of your visit This advice is intended to help clear away some of the frustration and confusion that naturally arises when traveling in a foreign country so that you have more time to focus on experiencing Lithuania The guide is divided into four main parts Part I gives an overview of Lithuania and its people Part II describes recommended places to visit dine and recreate Part III provides practical advice about a wide range of logistical matters Finally Part IV presents a concise history of Lithuania 50% of the author's net proceeds from the sale of this book will be donated to a Lithuanian charity Maisto Bankas which provides food to Lithuanian families in need Additional information about the guide is available at www.experiencinglithuania.com
