English Ballet:

An English Ballet David Gayle, 2012-06-18 Ninette de Valois was an extraordinary woman Not only did she create The Royal Ballet The Royal Ballet School and the company that has become Birmingham Royal Ballet in themselves great achievements but she was a gifted choreographer dancer teacher administrator speaker and writer She also identified and developed so many of the talented dancers choreographers and teachers who went onto make Britain a world leader in ballet and dance During the 50th Anniversary Celebrations of The Royal Ballet in 1981 Ninette de Valois accepted an invitation to speak to the Yorkshire Ballet Seminars In that illuminating talk printed here for the first time she focuses on what English Ballet is Combined with her 1955 article Some Problems of Ballet Today and Sir Peter Wright s fascinating Madam s Memorial Address this volume raises questions as meaningful today as they were when de Valois first addressed them In an increasingly connected dance world what does it mean to have a national style Why is a national style important How might a national style be identified developed and nurtured This volume provides thought provoking and fascinating reading for all lovers of ballet dance and art English Ballet Walter James Turner, 1944 **The English Ballet Folios** Phyllis Winifred Manchester, 1945 **Dance and Dancers in the Victorian and Edwardian Music Hall Ballet** Alexandra Carter, 2017-11-28 First published in 2005 The Victorian and Edwardian music hall ballet has been a neglected facet of dance historiography falling prey principally to the misguided assumption that any ballet not performed at the Opera House or legitimate theatre necessarily meant it was of low cultural and artistic merit Here Alexandra Carter identifies the traditional marginalization of the working class female participants in ballet historiography and moves on to reinstate the lost period of the music hall ballet and to apply a critical account of that period Carter examines the working conditions of the dancers the identities and professional lives of the ballet girls and the ways in which the ballet of the music hall embodied the sexual psyche of the period particularly in its representations of the ballet girl and the ballerina By drawing on newspapers journals theatre programmes contemporary fiction poetry and autobiography Carter firmly locates the period in its social economic and artistic context The book culminates in the argument that there are direct links between the music hall ballet and what has been termed the birth of British ballet in the 1930s a link so long ignored by dance historians This work will appeal not only to those interested in nineteenth century studies but also to those working in the fields of dance studies gender studies cultural studies and the performing arts *The English Folk Dance Tradition* Rolf Gardiner, 1923 **Modernism after the Ballets Russes** Gabriela Minden, 2025-07-14 Serge Diaghilev s Ballets Russes holds a renowned position in the history of modernism across various arts The company s daring productions brought together leading artists working in diverse fields from Igor Stravinsky to Pablo Picasso from Bronislava Nijinska to Coco Chanel redefining the possibilities of artistic collaboration and shaping the trajectories of dance music fashion and the visual arts But what of the Ballets Russes s role in the text based theatre Despite the intrinsic link between dance and theatre as performance arts the company s contributions

to dramatic literature and dramaturgy have remained surprisingly elusive This book establishes the Ballets Russes as a powerful force in the development of modernist theatre in Britain revealing how the company's avant garde repertoire inspired the creation of new composition strategies and performance techniques that privileged the immediacy of expression offered by the moving dancing body Modernism after the Ballets Russes examines the philosophical conditions of early twentieth century Britain's theatrical landscape marked by growing interest in Nietzschean interpretations of classical drama and Wagnerian notions of the Gesamtkunstwerk to illuminate the allure of the Ballets Russes's re-centring of dance as the foundation of theatre art It shows that Diaghilev ballets provided new ways of thinking about the relationship between the literary and embodied aspects of dramatic performance fueling collaborations between eminent dramatists and theatre practitioners Harley Granville Barker J M Barrie Terence Gray and W H Auden and lesser known choreographers Cecil Sharp Tamara Karsavina Ninette de Valois and Rupert Doone Through the prism of the Ballets Russes this group of artists crafted distinctive new theatrical forms including a whimsical terpsichorean fantasia and a politically subversive poetic dramatic satire as well as new methods of staging Shakespearean comedy and Attic tragedy Together this book contends these literary and dramaturgical innovations represent a previously neglected strand of modernism one that saw the dramatic power of the moving body expand the expressive resources of the period's theatrical arts British Subjects Nigel Rapport, 2020-05-25

The anthropology of Britain is hotly debated What does it mean to live in Britain and to be British and is an anthropology of Britain even a legitimate undertaking British Subjects presents a forthright voice in this debate Key anthropological concerns such as community rationality aesthetics the body power work and leisure nationalism and transnationalism are found reflected in the lives of a wide range of British subjects from farmers to dancers children to retired miners new agers to entrepreneurs In disputing traditional claims that anthropology at home and of one's own is misconceived unnecessary or unperceptive this book clearly establishes that an anthropology of Britain can set excellent standards of subtle ethnography and complex analysis Providing a nuanced appreciation of the intricacies of British society this book shows how the anthropological study of Britain can offer an enlightening paradigm for the study of individual lives **The Art of Ballet** Mark Edward Perugini, 1915 **Correct English**, 1930 Proceedings of the Musical Association Musical Association (Great Britain), 1921 The English Review Ford Madox Ford, 1927 **The Master of the Russian Ballet (the Memoirs of Cav. Enrico Cecchetti)** Olga Racster, 1923 **The Musical Times**, 1920 **The Ballet in Britain** Peter Brinson, 1962 Echoes from our Paris homes [afterw.] Echoes from Paris. no.1-pt.22, nos.11/12; new ser., no.1-3; new cent. ser., 1901, [no.1]-3 Paris Ada Leigh homes, 1880 **The Musical Times & Singing-class Circular**, 1919 **Musical News**, 1921 **Musical News and Herald**, 1923 *On the Stage* Dutton Cook, 1883 *The Pedagogical Seminary*, 1912 Vols 5 15 include Bibliography of child study by Louis N Wilson
