Platicuemos concentrates on Spanish as spoken in Latin America, home to 90% of the world's Spanish speakers. The entire eight-level program is intended to bring the student to a level of communicative proficiency in Spanish sufficient for all social and professional needs. The original program has been successful in bringing students both in and out of government to this high level for over 40 years, and Platicuemos is intended to introduce this unequalled program to new generations of learners. This new version is profusely illustrated, and features over 7 hours of high-quality audio (per level) to supplement the text.
