First And Second Chronicles A Commentary:

First and Second Chronicles Steven Shawn Tuell,2012 First & Second Chronicles- Everyman's Bible Commentary John Sailhamer,1983-03-15 To its own generation the book of Chronicles was a vivid reminder of hope in the faithfulness of God a reminder of the promise made both to the world and to the house of David of peace and prosperity to be fulfilled through the covenant people of God Structurally the book may be considered an exegetical summary of Old Testament history Not only does it recount the important events of God s dealing with Israel but it also explains the significance of those events to Israel s history *Commentary on First and Second Chronicles* James Burton Coffman,Thelma B. Coffman,1993

2 Chronicles Martin J. Selman,1994 The Chronicler wrote as a pastoral theologian The congregation he addressed was an Israel separated from its former days of blessing by a season of judgment The books of 1 and 2 Chronicles address a divine word of healing and reaffirm the hope of restoration to a nation that needed to regain its footing in God s promises and to reshape its life before God The Chronicler expounds the Bible as he knows it skillfully weaving his commentary into the linear text of Israel s history His theme is straightforward the promises of God revealed in the Davidic covenant are as trustworthy and as effective as the God who first uttered them In two volumes Martin Selman provides an excellent interpretation of these sorely neglected yet profound books of the Old Testament This volume on 2 Chronicles continues to build on the groundwork laid by its companion in 1 Chronicles **1 & 2 Chronicles (Understanding the Bible Commentary Series)** Louis C. Jonker,2013-10-15 Louis Jonker s section by section commentary on 1 2 Chronicles is the newest volume in the Understanding the Bible Commentary Series This user friendly commentary series helps readers navigate the sometimes difficult terrain of the Bible These volumes offer solid research in an accessible way breaking down the barriers between the ancient and modern worlds so that the power and meaning of the biblical texts become clear to contemporary readers The contributors tackle the task of interpretation using the full range of critical methodologies and practices yet they do so as people of faith who hold the text in the highest regard In this commentary Jonker reads 1 2 Chronicles as literature which negotiates a new socio religious identity in a period of political transition **The Abingdon Bible Commentary** Frederick Carl Eiselen,Edwin Lewis,David George Downey,1929 First and Second Chronicles Abingdon Press,1994-06 Revised and updated Based on the NRSV and NIV translations Covers every book verse by verse Each volume also contains maps charts a pronunciation guide and a glossary Available in sets or individually **Biblical Hermeneutics** Bruce Corley,Steve Lemke,Grant Lovejoy,2002 Biblical Hermeneutics is a textbook for introductory courses in hermeneutics Layman's Bible Book Commentary John H. Traylor,1981 Written in clear readable style this 24 volume set is designed to give a thorough and easily understood exposition of each book of the Bible 1, 2 Chronicles J. A. Thompson,1994-12-02 One in an ongoing series of esteemed and popular Bible commentary volumes based on the New International Version text **Grasping God's Word** J. Scott Duvall,J. Daniel Hays,2012-05-08 Grasping God s Word has proven itself in classrooms across the country as an

invaluable help to students who want to learn how to read interpret and apply the Bible for themselves The third edition revised based on feedback from professors will continue to serve college level students and lay learners well in their quest to gain a firm grasp on the rock of God s word Old Testament scholar J Daniel Hays and New Testament expert J Scott Duvall provide practical hands on exercises to guide students through the interpretive process To emphasize the Bible s redemptive arc and encourage correlation across the biblical canon the authors have included a call to Consult the biblical map How does a theological principle fit with the rest of the Bible as an additional step in the Interpretive Journey This edition has also been rearranged for clarity and includes updated illustrations appendices bibliography and assignments A robust suite of learning aids is available for purchase to be used alongside the textbook to help students excel in their studies These include a workbook video lectures for each chapter featuring the authors and a laminated quick study sheet with key concepts from the book

Grasping God's Word, Fourth Edition J. Scott Duvall, J. Daniel Hays, 2020-10-13 A Proven Approach to Help You Interpret and Understand the Bible Grasping God s Word has proven itself in classrooms across the country as an invaluable help to students who want to learn how to read interpret and apply the Bible for themselves This book will equip you with a five step Interpretive Journey that will help you make sense of any passage in the Bible It will also guide you through all the different genres found in the Bible to help you learn the specifics of how to best approach each one Filling the gap between approaches that are too simple and others that are too technical this book starts by equipping readers with general principles of interpretation then moves on to apply those principles to specific genres and contexts Features include Proven in classrooms across the country Hands on exercises to guide students through the interpretation process Emphasis on real life application Supplemented by a website for professors providing extensive teaching materials Accompanying workbook video lectures laminated study guide sold separately This fourth edition includes revised chapters on word studies and Bible translations updated illustrations cultural references bibliography and assignments This book is the ideal resource for anyone looking for a step by step guide that will teach them how to accurately and faithfully interpret the Bible

First And Second Chronicles John C. Endres, 2016-12-01 In the era in which the Chronicler writes the pressing question is How will Judeans reestablish themselves after the Babylonian exile The Chronicler s answer is to encourage the people of Israel to live out of their memory of God s mercy and compassion Knowing and cherishing the books of Samuel and Kings the writer interprets their message differently because the people of his era face new challenges to their life and faith This commentary highlights the special character of First and Second Chronicles by pointing out subtle ways in which the Chronicler changes the story of Israel Many of these slight changes in wording reflect theological shifts in the postexilic era The Chronicler sees a need for a strong spiritual center that is clearly located in the Jerusalem temple and its life of worship and prayer Alienated northern tribes may enter this religious world by participating in temple worship New and original materials describe the services and the roles of Levites and priests at the temple Kings foster worship and demonstrate a spirituality of repentance

Israel can again become a people united if all join together in worship To the discouraged this history offers hope 1 and 2 Timothy/Titus Walter L. Liefeld,1999 In Paul s letters to Timothy and Titus the apostle describes the earmarks of leaders in the church Capable godly leaders need to be sound in character which has been proved in life s everyday realities **First and Second Chronicles** Andrew E. Hill,2003 The Chronicles are more than a history of ancient Israel under the ascent and rule of the Davidic dynasty They are a story whose grand theme is hope Great battles are fought heroes and tyrants vie for power Israel splits into rival kingdoms and the soul of God s holy nation oscillates between faithlessness and revival Yet above this tossing sea of human events God s covenant promises reign untroubled and supreme First and Second Chronicles are a narrative steeped in the best and worst of the human heart but they are also a revelation of Yahweh at work forwarding his purposes in the midst of fallible people God has a plan to which he is committed Today as then God redirects our vision from our circumstances in this turbulent world to the surety of his kingdom and to himself as our source of confidence and peace Exploring the links between the Bible and our own times Andrew E Hill shares perspectives on 1 and 2 Chronicles that reveal ageless truths for our twenty first century lives Most Bible commentaries take us on a one way trip from our world to the world of the Bible But they leave us there assuming that we can somehow make the return journey on our own They focus on the original meaning of the passage but don t discuss its contemporary application The information they offer is valuable but the job is only half done The NIV Application Commentary Series helps bring both halves of the interpretive task together This unique award winning series shows readers how to bring an ancient message into our postmodern context It explains not only what the Bible meant but also how it speaks powerfully today *A Biblical-Theological Introduction to the Old Testament* Miles V. Van Pelt,2016-05-31 The Old Testament is not just a collection of disparate stories each with its own meaning and moral lessons Rather it s one cohesive story tied together by the good news about Israel s coming Messiah promised from the beginning Covering each book in the Old Testament this volume invites readers to teach the Bible from a Reformed covenantal and redemptive historical perspective Featuring contributions from twelve respected evangelical scholars this gospel centered introduction to the Old Testament will help anyone who teaches or studies Scripture to better see the initial outworking of God s plan to redeem the world through Jesus Christ **The First (second) Book of Kings, with a Commentary. Constructed to Show from Scripture the Identity of the British Nation with the Lost Ten Tribes of Israel** Edward Hine,1875 *A Commentary on the Holy Scriptures: Chronicles* Johann Peter Lange,1877 **Eerdmans Commentary on the Bible** Richard J. Coggins,2003 *Popular Commentary of the Bible: The historical books* Paul E. Kretzmann,1923 Over the years The Kretzmann Commentary has been widely received and praised for its simple clear explanation of the Bible in language easily understood by lay readers of the Bible Based on the King James Version of the Bible Kretzmann offers insights from Martin Luther and other faithful Lutheran scholars Warm accessible and not overly burdened by unrelated material these volumes will find a welcome place in the homes of all serious students of the
