Boyd,Al Larson,2005-04 Examines a Christian s thought process and teaches how to transform it to reach a deeper life in Christ through the vehicles of The Matrix film characters *The Way to Escape the Horrible and Eternal Burnings of Hell Through Jesus Christ* Thomas Vincent,2012-10-17 This book is a combination of Thomas Vincent s last two known works one of which is a sermon entitled The Only Deliverer from Wrath to Come and the other is a book called Words Whereby We May be Saved The sermon covers 1 Thessalonians 1 10 Even Jesus which delivered us from the wrath to come Vincent demonstrates that 1 there is evidence of this second coming of Jesus Christ and 2 the ground of their hope and comfortable expectation and waiting for this coming in the text is because Jesus had delivered them from the wrath to come The second work is a book on salvation covering 1 Words to try people whether they are in a state of salvation 2 Words to move people to endeavor after salvation And 3 Words to guide people in the way to attain salvation Also included are Vincent s sayings which were a collection of quotations taken out of his writings published separately after his death This is not a scan or facsimile and has been updated in modern English for easy reading It also has an active table of contents for electronic versions Escape from Christendom Robert Burnell,2021-09-09 Do you practice garage theology Garage theology is common in today s churches Some practice it without knowing what it is A simple definition would be going to church makes someone a Christian This is no more logical than believing going into a garage will make someone a Cadillac This delusional premise is convincingly debunked within this book The lone traveler is perplexed Why is he alone so much of the time while such crowds pack the city Why is the wilderness the way to know God Here is a classic retelling of the quest of all humanity to understand the mystery of life Our unidentified traveler has bouts of certainty interspersed with doubts The hardships are real the goal is eternal He is faced with tests He is deceived but he recovers He struggles to maintain the main thing as the main thing As a journey of adventure surprise hardship and ultimate triumph it is an accurate picture of life in

The Sequence Steven R. Bates,2024-08-30 Sometimes the best way to let one know what something is is to let one know what it isn t Today s typical academic book in eschatology provides the reader with a brief history of the various positions in the field followed by why certain positions should be considered the better options This is not that book Over the course of twelve chapters six sequences will be presented from the three major sources in the New Testament regarding the subject i e Paul s letters to the Thessalonians the Olivet Discourse and John s visions in Revelation Through a careful reconciliation of those six sequences Dr Steven R Bates will show that there s only one sequence of end times which he has labeled The Post Armageddon Premillennial Resurrection He asserts that had any other sequence of end times been correct whether pre tribulationism pre wrath mid tribulationism historic pre millennialism post millennialism a millennialism preterism or any other sequence that one could possibly imagine then the proponents of that postulation should be able to take the same six sequences from Scripture and reconcile them precisely with one another sentence by sentence and prove whatever sequence they propose But of course no one will ever attempt such an endeavor because it s theoretically impossible Scripture s six sequences only confirm one sequence and it is the one which has been presented in *The Sequence*
