The Lori Saga: Escape J. R. Kruze, S. H. Marpel, 2018-07-30 Hunted by evil her only escape was to find the light but her broken wings couldn't carry her to safety Why this tiny suffering pixie was hunted by a monster troll seemed to be a simple urge he needed to feed off her energy to keep living Only a few hours to daylight when the troll had to sleep to avoid the burning rays of sunlight or being found by Truth Seekers and forever imprisoned in stone After the sun rose she could heal herself by bathing in sunlight and escape forever But why was this troll out of his territory and why was he hunting her Not just his hunger that much was certain The troll needed food but she had a secret message to deliver And that one message could prevent humans as well as fairies from being enslaved to troll masters after losing the coming war Get Your Copy Now
