The Legal Warriors Attorney Joseph Patrick Meissner, J.D.,2013-09 Who are The Legal Warriors in this book Some might think these are lawyers But that is wrong The real Legal Warriors in this book are the poor individuals and families who daily struggle to gain their rights The real Legal Warriors are their community groups fighting for justice and improvements in society These fighters include families struggling to save their homes from foreclosure They are the neighborhood organizations combatting the industrial polluters who poison our water and air They are the soldiers who skirmish to keep their gas and lights on They are newcomers who come to our region to seek a fresh start in life These are only some of the legal warriors that I have been privileged to serve in my fifty years of legal work To all of them I say thank you for sharing your battles with me This book is dedicated to you I pray and hope that the Good Lord blesses you and your communities with many well deserved legal victories in all of your struggles
