*A Realm Beyond* Jamarr Holland,2017-09-15 Have you ever taken the time to reflect upon all the situations events and mysteries that people face throughout their lives Could it be possible that the person standing in front of you at the checkout line in the grocery store is having the same thoughts about a friend of theirs that you are having about yours Maybe there is a friend whom you would like to contact only to realize that the person is out of reach Have you lost your motivation with a desire to get it back Whatever it is that you are facing you are not the only one Life is a journey and on that journey it is sobering to realize that you are not alone you are not the only one Life is bigger than just one person s world *The Dragon Star (Realms of Shadow and Grace – Volume One: Episodes 1-7)* G.L. pain in the rear he has finally proved his worth as a valuable resource and gained everyone's respect. However, David is the real star of the group. With his surprising knowledge, skills, and resources, he has allowed the others to take full advantage in their decision making, and so far, it has continued to keep them alive. Steven Boyd believes Pedro is some kind of a good luck charm that continues to allow the others to remain safely out of his grasp. With the assistance of a new acquaintance, he meets Steven Boyd, who decides to use black magic as a new weapon against Pedro and his friends. With deadly results, he attacks, and it appears he might be winning the war. He should be happy but is surprised and horrified to discover that there will always be a price to pay for using black magic.
