California, John F. MacLane

Force Order And Justice:

Force, Order and Justice Robert E. Osgood, Robert W. Tucker, 1967-01-01 *Force, Order, and Justice* Robert E. Osgood, Robert W. Tucker, 1971 ***Force, Order and Justice*** Louis Rene Beres, 1997-08-01 *Force, Religion, and the Quest for African American Justice* Daniel A. Morris, 2025-06-26 This study argues that Black calls for force in the struggle against white supremacy have echoed concepts and principles in the Western just war tradition After establishing that just war theory has ignored Black calls for force and that the Trans Atlantic Slave Trade relied on just war ethics for its justification this book turns to African American resistance rhetoric in three crucial periods of U S history In the antebellum period the Civil Rights movement and the era of mass incarceration African American thinkers have drawn on ideas and forms of logic that run parallel to just war ethics This makes Black rhetoric of forceful resistance morally normal rather than radical or extremist Figures in the Black just war tradition such as David Walker Henry Highland Garnet Harriet Tubman Huey Newton Bree Newsome and others should be included in the discipline of just war ethics and white American Christians should recognize that their endorsements of force are consistent with widely accepted moral positions *Ethics and the Use of Force* Dr James Turner Johnson, 2013-03-28 Highlighting the just war tradition in historical perspective this valuable study looks at contemporary implications drawn out in the context of several important contemporary debates within the field of religion including both Christian and Islamic thought within the field of debate related to the international law of armed conflicts within the field of policy relating to the use of armed force where the issue is just war thinking vs realism and debates over pressing contemporary issues in the ethics of war which cross disciplinary lines James Turner Johnson has been writing on just war tradition since 1975 developing the historical understanding of just war and seeking to draw out its implications for contemporary armed conflict He is frequently asked to lecture on topics drawn from his work This current book brings together a number of essays which reflect his recent thinking on understanding how and why just war tradition coalesced in the first place how and why it has developed as it has and relating contemporary just war reasoning to the historical tradition of just war *The Use of Force in Criminal Justice* Richard M. Hough, 2025-03-25 This text addresses the how why and when of utilizing force against citizens in a democracy This second edition of the first true textbook on this topic offers students and instructors a balanced research based approach to understanding the use of force in law enforcement as well as in corrections and juvenile justice settings Hough includes features to reinforce key concepts including What Why Try This Going Global and Research Results boxes *The Use of Force in Criminal Justice* combines academic and practitioner perspectives making the book well suited for undergraduate and graduate courses in criminal justice as well as professional training and executive education The text is accompanied by online resources such as PowerPoints lesson notes and a test bank It is an invaluable aid for force trainers risk managers and attorneys who must understand the research on force and force issues rather than the rhetoric of individual anecdotes and personal system of

force concepts The Political Realism of Reinhold Niebuhr Colm McKeogh,2016-07-27 Reinhold Niebuhr rose to prominence in the 1930s and 1940s for his vociferous opposition both to Nazism and to isolationism as an American response to that threat He rejected both pacifism and the legalism of the just war tradition His pragmatic and realist approach to the ethics of force eschews absolute rules or restrictions The work examines Niebuhr's consequentialist approach to ethics and war from the perspective of political theory **Justice of the Peace and Local Government Review** ,1894 **Justice of the Peace** ,1897 Just and Unjust Uses of Limited Force Daniel R. Brunstetter,2021 Just and Unjust Uses of Limited Force revisits recent conflicts animating contemporary just war scholarship as instances of limited force drawing insights from the just war tradition Looking at these contemporary examples the book teases out an ethical account of force short of war **Laws in Force in the Colonies as to Trespass and Also as to Preservation of Game** ,1871 The Westminster Review ,1906 *The General Ordinances of the North-west Territories in Force September 1, 1905* Northwest Territories,1907 **Congressional Record** United States. Congress,1979 **The Codes of California as Amended and in Force at the Close of the Thirty-sixth Session of the Legislature, 1905 ...: Civil code** California,John F. MacLane,1906 Forms of Judgments and Orders in the High Court of Justice and Court of Appeal Sir Henry Wilmot Seton,1901 **Annotated Statutes of the State of Illinois in Force January 1, 1885** Illinois,1892 *Hertslet's Commercial Treaties* ,1880 The Nation: the Foundations of Civil Order and Political Life in the United States Elisha Mulford,1877 **Supreme Court** ,1880
