Chart

Paste an image of one of the charts that you believe is "useful" in the space below.

Created using Coolesting App Lab on 2023/03/30 from the Dogs table in project
 Values: Breed Group

Questions

- What is one piece of information someone could learn from the chart you pasted?

The maximum life span of a certain dog breed in years

- What type of data tends to produce useful bar charts? What patterns can you find about charts that are not useful?

The ones with quantitative data and other information that is more general and not specific to a certain thing.
