Gods Orchard:

God's Orchard Helen Lepp Friesen, 2001 *In God's Orchard* Amber Swenson, Dr Rhoda Wolle, Mollie Schairer, Ann Ponath, Naomi Schmidt, Katie Martin, 2020-01-01 In *God's Orchard* is an in depth women's Bible study on the fruit of the Spirit from Galatians 5:22-23. Many different places in the Bible refer to God as a gardener. As God's child you are planted in his orchard no matter where you are. Watered with God's Word you produce fruit in your life: the fruit of the Spirit. The fruit of the Spirit is love, joy, peace, patience, kindness, goodness, faithfulness, gentleness, and self-control. Galatians 5:22-23. This book is a labor of love by six passionate Bible-loving women. They dive deeply into God's Word and invite you to learn with them about each of these fruits of the Spirit: what the Bible says about them, the impact sin has on them, how Jesus demonstrated them perfectly, and how God's gospel message fosters their growth in your life. Each of the nine Christ-centered Bible lessons features practical applications and discussion questions with room for you to write down your thoughts. You can work through these fruits of the Spirit privately or in a Bible study group with other Christian women. Sink your roots deep into God's Word and yield a fruitful harvest in your life through this women's Bible study. **God's Orchard** Worthy Publishing, 1984-01

That Which They Can't See David Van Brugge, 2025-01-20 In this retrieval study David Van Brugge addresses how the current understanding of a homiletical use of imagination for expository preaching might be strengthened. The current need for strengthening becomes apparent when the various understandings of imagination and their implications for practical theology are realized. This is compounded as trends in homiletics seem to minimize the imagination or embrace it in modern or postmodern ways. The original contribution of this study is recognizing that the homiletical use of imagination can be strengthened by retrieving the Puritan baroque characteristics of Jonathan Edwards' imagination as evidenced in his sermons to the Stockbridge Indians of 1751-1758. Edwards drew on a rich background to display an imagination that synthesized thoughts and ideas thought beyond the senses and that by the grace of God transformed thought and practice. Through that creative thought Edwards maintained Biblical exposition and appeal to the affections. Van Brugge further develops and evaluates the idea of Puritan baroque characteristics, concluding that it is a helpful characterization of Edwards' Stockbridge Indian sermons. In these sermons Edwards imaginatively used imagery, light, space, movement, and glorification for the ultimate goal of directing the affections of his audience towards God. Such a use of imagination for affective purpose becomes a key for the strengthening of a homiletical use of imagination today. **Working in God's Orchard Collection of Poetry** Willie Davis, 2023-03-16 About the Book Filled with spiritual inspiration and just a touch of humor *Working in God's Orchard Collection of Poetry* teaches us to keep the faith as we go on our way through everyday life.
