

WAC (the weekly cup)

Weekly assault cup

The Weekend Assault Cup is a weekly online tournament, set automatically in the COB client. They are available for WAC subscribers, during tournament events, or through Weekend Assault Cup tickets. Players form teams within an allotted time, and compete in an eight team single elimination tournament. Tournament brackets are given various events depending on the event.

How to get WAC tickets?

You can purchase the ticket in the WAC store for \$1.49 or be sponsored in another currency.

How it works?

In order to start playing in the weekly assault cup, you need a team of 8 people, where each of its members have a total of 8 items in total. Your teams rating must be in one of 7 categories, or more precise:

1st division from 1000 to 1000

2nd division from 1000 to 1000

3rd division from 100 to 100

4th division from 100 to 100

5th division from 100 to 100

6th division from 100 to 100

7th division from 100 and above

(The same division by COB is in game settings)

When the team is assembled and tickets are purchased, the team captain goes to the cup page in the game client and pays for his team's entry using team tickets. After which the team competes against 7 other teams of similar rating.

What to do with the results?

There is a bug/problem when the competitors are much stronger and their team has players who play at a level higher than the rest. But we have a solution to the problem. First, those players who logged in from another device, or logged into their account from another IP/location, and less than a week have passed since that moment, are not allowed to participate in the cup. Second, **available for** will be an integral part of these competitors. Each match's progress/results will be watched by many **available for** viewers. And in case of controversial moments, the results of matches may be revised or canceled and players playing in the wrong division may be moved to a higher division.

What to do with the used tickets?

Collect 7 tickets and use them in the console to craft a new one.

What reward?

The main provides 2 different rewards, the first of which is a coin for medals. The second is a new **available for** and finally an update to a new weekly cup-counter. All players will be able to see how many times you and your team won the weekly cup.
