Malcolm Harris

Gun Hand:

The Hand Gun Story John Walter, 2008-06-30 A firearms expert traces the history of the one hand gun from its 14th century origins surveying changing technology techniques and design Midwest Book Review Ideally suited for both attack and self defense handguns have gotten smaller and deadlier But the earliest pistols had a tendency to misfire This was cured by the cap lock which proved a massive success in the American Civil War with hundreds of thousands of cap lock revolvers used on each side Self contained metal case cartridges were to bring a fundamental change to handgun design not only by allowing the introduction of revolvers that ejected automatically or were easily reloaded but also by paving the way for the automatic pistol World War I provided the handgun with a proving ground At the end of the hostilities with so much surplus weaponry work on the handgun could have ceased instead a new developmental phase was begun by the nations that had emerged from the crumbling Imperial empires During World War II the efficiency of well established designs was confirmed and new designs such as the Walther P 38 showed their potential The emergence of the submachine gun in 1945 reduced the status of the handgun but only temporarily The need for efficient self defense shows no signs of lessening and the rise in shooting for sport particularly with the revolver has sharpened the quest for efficiency The never ending search for advanced production techniques shows that the handgun has as much a future in the twenty first century as it had in the heyday of the Wild West or in the trenches of Passchendaele **Gunhand: A 5e and Beyond compatible class** Malcolm

Harris, 2024-09-30 In the sprawling empire of Albion where aether powered marvels clash with frontier grit a new breed of hero emerges the Gun Hand Master the art of the six shooter and carve your legend across dusty streets and steam filled skies The Gun Hand brings the thrill of the Wild West to your 5E game infused with the magic and technology of Albion's aetherpunk world Inside you'll find A complete new class with 3 specializations Pistolero Buck Shot and Rifleman Expanded firearm and ammunition rules 15 new feats to customize your gunslinger 12 frontier backgrounds to shape your character's past Guidelines for duels trick shots and weapon customization Story hooks to kickstart your Gun Hand's adventures Whether you're a steely eyed lawman a notorious outlaw or a wandering adventurer The Gun Hand gives you the tools to leave your mark on Albion's ever expanding frontier Strap on your holster load your revolver and prepare for action And here's a suggested sales page blurb The Gun Hand Blazing New Trails in Albion Bring the excitement of the frontier to your Albion campaign The Gun Hand supplement introduces a brand new class that combines classic Western gunslinging with the aetherpunk flair of Albion Perfect for players who want to wield six shooters rifles and shotguns with deadly precision Master trick shots and high noon duels Explore Albion's untamed wilderness and burgeoning frontier towns Blend magic and technology in true Albionian style Designed to integrate seamlessly with existing Albion content The Gun Hand opens up new storytelling possibilities and thrilling combat options Whether you're starting a new campaign or adding a gunslinger to your current party this supplement provides everything you need to bring the spirit of the Old West to Albion's steam powered
