parents have considered committing her They don't believe she sees ghosts or that they harass her on a daily basis So when a rogue ghost begins tormenting her they're the last people she's going to tell Her best friends Holden and Zara are doing their best to help but ghost attacks are only the beginning of Echo's problems Handling the ghosts by giving them a voice on YouTube through her webshow has been her saving grace even if her parents think it's all a hoax but that gets a little complicated when the ghost of Madeline Crew reveals a little too much about her previous life and the FBI shows up at her door wanting to know how she gained access to long buried government secrets It just keeps getting worse from there Madeline's message to her great grandson sparks a strange connection between Echo and Malachi which leads to Georgia secrets mistakes love lies and life changing revelations
