Everythings A Racket:

Everything's a Racket Ned Beaumont,2001 This book tells us clearly just what rackets are and why human nature seems to make them both omnipresent and inevitable At the root of these exposed rackets lies the theory of rackets rackets being the schemes by which the lazy and the incompetent seek to gain something for nothing Ned Beaumont targets the government but only in relation to the banks and the money system big time sports computer culture and big media His ammunition consists of a broad range of examples drawn from history literature and the daily news but his real aim is directed toward the reader s mind Using humor Ned wants us to see through the self importance of the racketeers and the silliness of their schemes for ourselves
