

STUDY GUIDE ANSWER KEY

MODERN BIOLOGY

A detailed illustration of two owls perched on a branch. The owl in the foreground is shown in profile, looking towards the right. It has large, striking red eyes and a dark, patterned face. Its wings are spread out, showing intricate feather patterns in shades of brown, tan, and grey. The second owl is positioned slightly behind and to the right, also looking towards the right. The background is dark, making the owls stand out prominently.
