**Glorious Pool (Annotated)** Thorne Smith, 2021-10-09 With a slight pat of approval he placed the gloves on a rangy grand piano sprawling in the shadows like one of the less unneighborly monsters of the prehistoric past Then from under his right arm he took a package and placed it neatly beside the gloves This he also patted but with a somewhat ironical gesture

Having attended to these little details with fitting solemnity and obviously to his entire satisfaction he bent two remarkably bright and penetrating eyes upon the woman who sat watching him with an expression of brooding animosity on her faded but still good looking face Noiselessly he moved over the heavy carpet bent with easy gallantry and lifting one of the woman's fleshy hands kissed it quite impersonally as if it were little better than a fish Furiously she snatched her hand away He made little effort to retain it no more than one would to retain a fish unless one were grim about it
