## **Ground Rules Baseball Myth:**

**Ground Rules** Deeanne Westbrook, 1996      American Mythologies William Blazek, Michael K. Glenday, 2005-01-01 In its more than three decades of existence the discipline of American studies has been reliably unreliable its boundaries and assumptions forever shifting as it continuously repositions itself to better address the changing character of American life literature and culture American Mythologies is a challenging new look at the current reinvention of American studies a reinvention that has questioned the whole notion of what American let alone American studies means Essays in the collection range widely in considering these questions from the effect of Muhammad Ali on Norman Mailer's writings about boxing to the interactions of myth and memory in the fictions of Jayne Anne Phillips to the conflicted portrayal of the American West in Cormac McCarthy's novels Four essays in the collection focus on Native American authors including Leslie Marmon Silko and Gerald Vizenor while another considers Louise Erdrich's novels in the context of Ojibwa myth By bringing together perspectives on American studies from both Europe and America American Mythologies provides a clear picture of the current state of the discipline while pointing out fruitful directions for its future      **Performing Wisdom** Dominica

Dipio, Stuart Sillars, 2014-03-10 This is the third collection produced by members of a six year research project funded by the NUFU Norwegian Programme for Development Research and Education whose concern was to find preserve and analyse orature spoken forms of all kinds both their unique qualities and their equivalence in importance to literature A major focus was the ways in which forms of orature can be made relevant to the demands of rapidly developing nations faced with insistent problems HIV AIDS administrative needs shifts in social and familial structure the changing roles of women Both innovative and archival the essays explore older legends and modern performances to outline their positive and dynamic contribution to a protean society Some contributors address the ways in which traditional forms may be adapted e.g via new media to combat the HIV AIDS pandemic and to educate children in social and individual responsibility Traditional narratives and children's songs can function to counter cannibalism and child sacrifice Less dark aspects of contemporary society also receive attention Traditional patterns of leadership are adapted to today's conditions especially by offering women models in the form of earlier figures and their actions Two essays analyse the use of proverbs in the speeches of political candidates and discussing traditional music festivals as celebrations of traditional kingship and rule Others examine the nature and operation of specific forms of orature riddles and their subtle alteration according to performer and audience concepts of heroism stories of origin and variants of Little Red Riding Hood These sensitive analyses are framed by pieces from members of the research project in Norway and Uganda Dominica Dipio is Associate Professor in the Department of Literature Makerere University and coordinator in the south of the NUFU research project Stuart Sillars is Professor of English Literature in the Department of Foreign Languages University of Bergen and coordinator in the north of the research project

**Errors and Fouls: Inside Baseball's Ninety-Nine Most Popular Myths** Peter Handrinos, 2014-06-30 Most baseball

traditions are wonderful But not all of them The games most basic elements have often been misrepresented misunderstood and misremembered through the years All along fiction has coexisted with fact hyperbole has mixed with history and exaggeration has been mistaken for explanation Meanwhile baseballs yen for tradition has left many fans and even baseball commentators unduly attached to stale ways of thinking Peter Handrinos breaks from the past and provides an entertaining antidote to its outmoded ideas and excessive nostalgia

**Myth** William G. Doty,2004-06-30 A type of folklore myth is central to all cultures Written by a leading authority and of use to high school students undergraduates and general readers this reference offers a convenient overview of the role of myth around the world The volume defines and classifies types of myth and provides examples from different cultural traditions It then overviews various approaches to studying myth This is followed by a look at myth in relation to its contexts such as religion politics and popular culture The volume closes with a bibliography of print and electronic resources and a glossary
