*Born Again Christians: From Spiritual Growths unto Its Standards Training and Maturity* , How to Become an Effective Leader in God's Church Floyd Mathews,2018-04-23 One of the greatest desires of

the church community in today's society is to have leadership that adds value to the personal growth of its membership while effectively supporting God's plan for building his kingdom Church leadership whether a pastor preacher deacon teacher or hopeful prospects of these positions need desperately to know who they are whose they are what is their role and how to effectively carry out their responsibilities as a leader in God's church The Holy Spirit has blessed me with the vision needed to fashion this book to be a guiding light for those who are and have a desire to become an effective leader in God's church The purpose of this book is to assist church leaders in their journey to effectively carry out God's plan for themselves and the people they are called to serve I challenge you to read this book and apply it to your life style in the interest of being an effective leader in God's church

*Growing Spiritually* Eli Stanley Jones,1953-01-01 The necessity for spiritual growth is not merely our personal problem it is that but it is more it is our world problem At the center of almost every acute problem personal social economic political and international is moral and spiritual immaturity Christian maturity must be the major business and endeavor of our race It is that or chaos So this book attempts to point the way to that maturity of character

without which we will remain an infantile civilization Where do we begin Where everything begins with ourselves I have linked growth with devotional exercises a page a day This book can be read a page a day or since it is divided into a week s complete thought it can be used as a study book for group discussions or since one theme runs through the whole it can be read straight through as an ordinary book Introduction *Growing Spiritually* Chip Borgstadt,1996 YouthSearch provides a Biblically based and needs oriented study for older youth and young adults The series builds on the benefits of small group learning Each chapter offers at least one Bible study at least one worship opportunity and clear directions for discussion and activities *Growing Spiritually* explores ways of making faith personal with a growing awareness of God in our daily lives In addition this resource features keeping a journal service to others community and other spiritual disciplines for youth Order one copy for each group member **Beyond the Ordinary** Cynthia Woolever,Deborah Bruce,2004-01-01 Taking an intricate look at vitality and health in congregations based on information gathered from the 2001 U S Congregational Life Survey the authors conclude that congregations have ten strengths and that by building upon these strengths congregations can transform their futures Measuring Spiritual Maturity Randy Tompkins,2019-10-21 Jesus commissioned His apostles and by extension the church to make disciples Many church leaders have come to the conclusion that attending worship services and Bible study classes will result in making disciples A review of statistical reports indicates a majority of church members and attenders do not believe this process will work or they have come to the conclusion they do not want to become disciples The 2010 US Religion Census report indicated 79% of the 150 686 156 members children and other attenders did not attend worship services It also reported over 60% of the same group did not attend Bible study classes In 2014 one of the major denominations in the United States reported 63% of church members did not attend worship services and 62% did not attend Bible study classes There are literally thousands of spiritual surveys available to church leaders A majority of these surveys develop conclusions based on a single survey being administered or two surveys being administered several months apart If a disciple making process is to be effective there needs to be a method of measuring the progress of individuals moving toward spiritual maturity This type of measurement would produce a visual of spiritual growth spiritual decline or spiritual non growth The only way to measure the spiritual progress of an individual is to create a measurement of the various elements of the spiritual life The process of measuring spiritual maturity in this book is self contained within the participating church and the responses of the participating individuals are highly confidential and warehoused by the participating church **Growing Spiritually** Bob Dukes,Margaret Garner,Jack Larson,Margo Theivagt,Buddy Eades,Nancy Higgins,Jon Long,Cristina van de Hoeve,Nila Duffitt,2014-11-17 Using Pocket Principles r and Guided Discussions *Growing Spiritually* focuses on helping the disciple understand how Christian growth occurs God s role including the Holy Spirit and man s role in spiritual growth dimensions of spiritual growth and God s plan for believers This workbook includes Pocket Principles r and Guided Discussions The topics include God s Plan For The Believer Knowing God s Will The Process Of

**Weeks to Spiritual Growth** Elder Marion James Scott Sr.,2022-08-01 As a minister of the gospel for many years it has been my desire to see the body of Christ fully functional and operating at its maximum capacity throughout the nations With every congregation fulfilling the mission of making disciples and growing the kingdom of God all over the world I have come to understand that believing in Christ and having faith is a prerequisite for salvation I also realize that more is required in order to become a true disciple Seeing the body of Christ grow spiritually has been a major concern of mine for a while It is my belief that as you meditate daily upon these scriptures and biblical thoughts and as you commit them to memory your understanding and knowledge of God will be deepened and you will be assured of growing spiritually If you are serious about spiritual growth then make it a priority to set aside quiet time each day to be spent in the presence of the Lord As you share this time together focus your mind on breathing and settle your heart rate to calm every part of your body as you direct your thoughts on the inner self and just experience communion with Him Select a scripture for inspiration and growth allowing the stillness to take you to another level of spirituality This material will help you to acquire the knowledge that will influence your decisions that are motivated by your emotions Your emotional maturity will influence your spirituality The main purpose and intent is to move you toward a place of becoming more like Him Your attitude behavior and character will be molded into His likeness Making God first will change your life **Natural Law in the Spiritual World** Henry Drummond,1886
