

The Family History

Jean Nicolet

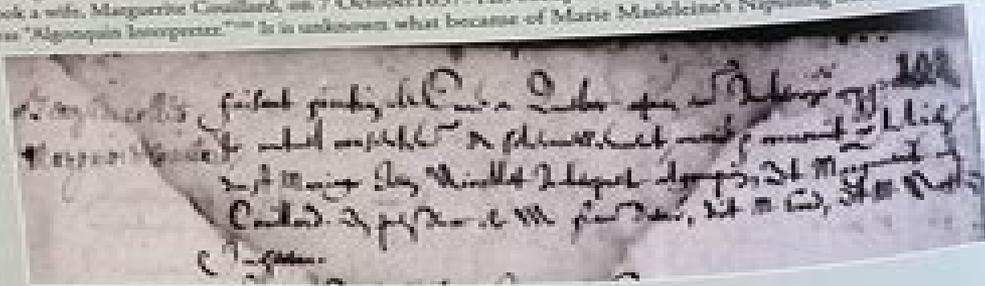

Jean Nicolet, Chipewan Country, Michipicou Historical Society

Marie Madeleine Euphrasine Nicolet, Kyle and Zachary Dussault's ninth great-grandmother, was born sometime around the year 1630. Her father was the well-known French explorer and interpreter, Jean Nicolet.¹

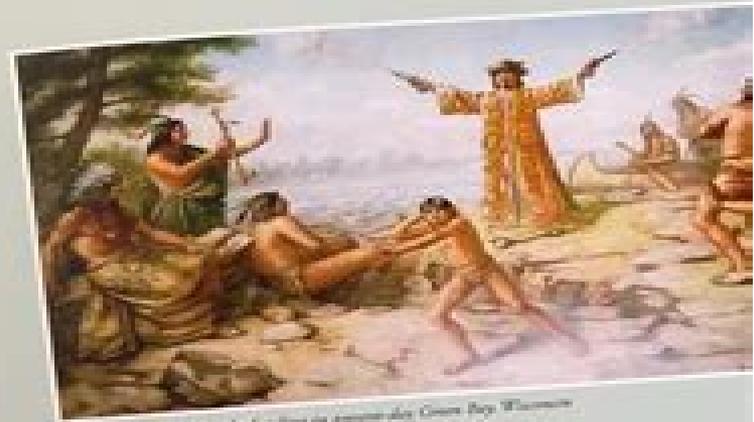

The son of Thomas Nicolet and Marguerite de Lamoignon, Jean Nicolet was born around 1598 in Charbourg, France.² In 1618, he was hired by the Compagnie Des Marchands, a French trading and colonisation company, to travel to New France and become an interpreter. Upon arrival in Quebec he was sent to live amongst native tribes in an effort to build rapport, learn their customs, and become versed in their language. The French thought this would be an advantage for them for trade and forthcoming western expansion.³

His first assignment was with the Algonquins on Allamogus Island, located in the Ottawa River, in what is now western Quebec. His next post was with the Algonquin and Odawa people in the Lake Nipissing area, located in present-day Ontario, roughly 500 miles west of Quebec City. He would stay with the Nipissing people for nearly a decade, becoming immersed in their culture.⁴

It is believed that Jean Nicolet had a relationship with a Nipissing woman, and fathered a child—Marie Madeleine Euphrasine.⁵ She is thought to be one of the first babies born of mixed European and Native heritage in Canada.⁶ When he returned to Quebec, he brought Marie Madeleine along with him.⁷ There he took a wife, Marguerite Couillard, on 7 October 1637. His occupation at the time, per the marriage record, was "Algonquian Interpreter."⁸ It is unknown what became of Marie Madeleine's Nipissing mother.

Jean Nicolet marriage record to Marguerite Couillard, Genealogie Quebec

Depiction of Jean Nicolet leading his present-day Green Bay Wisconsin

Jean would embark on another mission a few years later, which took him to make his mark on history. He traveled into Huron territory, where, as the first European explorer to discover passage to the Ocean.⁹ Jean is the first European explorer to discover Lake Michigan and the first European to Bay, Wisconsin.¹⁰

After brief exploration of what is now present-day Wisconsin, he returned to Quebec.¹¹

Unfortunately, the great Jean Nicolet met his fate in 1642. While sailing on the St. Lawrence, his boat was overcome by a sudden storm and capsized. Unable to swim, Jean Nicolet drowned in Silley, Quebec at the age of 44.¹²

Jean Nicolet's route of exploration, Canadian Museum of History
