Targeted Deepa Fernandes, 2011-01-04 America has always portrayed itself as a country of immigrants welcoming each year the millions seeking a new home or refuge in this land of plenty Increasingly instead of finding their dream many encounter a nightmare a country whose culture and legal system aggressively target and prosecute them In *Targeted* journalist Deepa Fernandes seamlessly weaves together history political analysis and first person narratives of those caught in the grips of the increasingly Kafkaesque U S Homeland Security system She documents how in post 9 11 America immigrants have come to be deemed a national security threat Fernandes herself an immigrant well acquainted with U S immigration procedures takes the reader on a harrowing journey inside the new American immigrant experience a journey marked by militarized border zones racist profiling criminalization detention and deportation She argues that since 9 11 the Bush administration has been carrying out a series of systematic changes to decades old immigration policy that constitute a roll back of immigrant rights and a boon for businesses who are helping to enforce the crackdown on immigrants creating a growing Immigration Industrial Complex She also documents the bullet to ballot
