A Season in My Life Richard Lawrence, 2018-02-02 More spaghetti Ben Donna you know that Im trying to lose some weight Ive got to whip myself into shape for the upcoming softball season **Two Sons in a War Zone** Stephen Wynn, 2012-07-09 When soldiers go to war what do their families and friends experience There is huge public support for the military who risk their lives in faraway war zones but do we really have any idea what their nearest and dearest go through while the troops are away This book started out as a diary of a year in the life of Stephen Wynn a police officer who happens to have two sons in the military The diary was his mechanism for coping with the passion distress and rage he felt while his sons Luke and Ross were on active service in Afghanistan Two Sons in a War Zone is his compelling true story illustrating the raw inner conflict between one man s pride for his sons and their chosen profession and his natural fears for their safety In vivid everyday language he describes the intense experiences the joys and sorrows of being a loved one at home whilst his sons battle a deadly foe in gruelling and treacherous conditions Stephen describes Luke s and Ross s personal stories why they joined the military and how they relate to the work and quotes from private letters and documents Both sons are injured whilst on their first tour of duty one narrowly escaping serious harm from a bullet wound but thankfully they return safely home Nobody reading this book will have any doubt about the sacrifices made by soldiers who go to war as well as the anguish their loved ones experience at home I promised myself that I would not hide my feelings from anyone I would not be wilfully ignorant of the risks my sons were facing out there Though they were men to me they were still boys and they would be facing boys like themselves boys and men younger than me who would shoot at them Knowing this how would I get through a single day Would I have to bottle up how I felt No I d be open and honest **The Jogger** Clive
